**EKP**  
BROKENSILENCE

Mechatronic was formed 2002 in the city of Uppsala, Sweden. The members are Wilhelm Åretun (singing and programming) and Emma Hortlund (lyrics and synthesizers).

Together they make music in the EBM/futurepop vein, with a mixture of danceable beats and sharp melodies.

2003 Mechatronic released the album "Promises From the Past" on their own label.

Mechatronic have had irregular live performances around Sweden since the start and are always giving more than 100% on stage.

Emma and Wilhelm share the interest for electronic alternative music. Both of them are a part of the Uppsala electronic music scene and have arranged several live events and club nights.

Mechatronic: "alive and kicking machinery music"
